Mr. John J. Johnson, Executive Director  
Kentucky Commission on Human Rights  
332 West Broadway, Suite 700  
Louisville, Kentucky 40202

Dear Mr. Johnson.

It is my distinct honor to extend my congratulations to the Kentucky Commission on Human Rights in celebration of its 50<sup>th</sup> Anniversary as an agency serving the citizens of the Commonwealth.

I am so pleased with the work the Commission does on behalf of every Kentucky citizen. The Commission tirelessly works to ensure that all Kentuckians are protected from discrimination by enforcing the Kentucky Civil Rights Act. This Act, and others like it, strives to protect all individuals within the Commonwealth from discrimination because of familial status, race, color, religion, national origin, sex, age, and disability.

Throughout the more than 35 years I have represented the people of the 30<sup>th</sup> District, I have proudly and confidently stood with the Kentucky Commission on Human Rights as it has endeavored to protect all Kentucky citizens from various forms of discrimination. Kentucky has been a forerunner with its work on human rights since the Commission was created in 1960, and I have every confidence that the Kentucky Commission on Human Rights will continue to vigorously advocate for nondiscrimination for all Kentuckians.

Sincerely,

A handwritten signature in cursive script that reads "Tom Burch".
